

Local Heritage

In the wider local area, take a walk on the Blue Line Trail through Eastwood, where you will see the other homes that the Lawrence family lived in and other points of interest. Or venture further into the lovely local countryside and visit heritage sites such as Brinsley Headstocks and Bennerley Viaduct.

The D.H. Lawrence Birthplace Museum

A HIDDEN GEM IN EASTWOOD

A must see for fans of literature and those wanting to delve deeper into Nottinghamshire heritage, the D.H. Lawrence Birthplace Museum is where this literary legend was born on 11 September 1885.

Step back in time to experience the traditional Victorian wash house, see the parlour - a room only for special occasions, feel the warmth of the fire in the kitchen and have a wander around the parental and other bedrooms. The museum's permanent exhibition features items from Lawrence's family and even paintings created by the author himself.

For groups

We welcome groups to the museum, with discounts for groups of 10 or more. We can also offer bespoke tours to suit the interests of your group, as well as translation sheets.

For schools

A visit to the D.H. Lawrence Birthplace Museum is a fascinating way for children to engage with a variety of learning topics, while having a fun day out. We can also offer digital options.

Nothing quite beats handling an original artefact, so our loan boxes are a great way for schools to extend learning about local history within the classroom. We currently have loan boxes on three topic areas relating to Victorian life:

- Mining
- School holidays
- Leisure

Each loan box contains artefacts and resources, and comes with activities that are suitable for the classroom. The activities are cross-curricular, so as well as offering interactive engagement with local history they also cover, English, Art, PSHE, Music, Science, Biology, Drama and Technology.
